

MEDORA ELEMENTARY SCHOOL

1003(g) School Improvement Grant (SIG) Overview

School year 2017-2018

Medora Elementary School will receive \$572,500 in SIG for 4 years, based on demonstration of a strong commitment to building capacity within the school to improve teaching and learning.

Medora Elementary School will *focus on improving the education of all students and developing the capacity of school leadership and teaching staff.*

In school year 2017-2018, Medora Elementary School began pre-implementation of its SIG award. Highlights include:

- *Developing an engaging STEM framework*
- *Creating a Makerspace lab for summer 2018*
- *Hiring a STEM facilitator for SY 2018-2019*
